1. Background Information

About the school

- 1.1 Beachborough School is a co-educational independent day and boarding school set in thirty-five acres of grounds on the edge of Westbury village. It was founded in 1910 and relocated to its present site in 1943. It is a charitable trust, administered by a governing body. The school is organised into three stages: nursery and kindergarten for pupils aged 2 to 4 years; pre-prep for pupils aged 4 to 7 years; and prep for pupils aged 7 to 13 years. The boarding house, which accepts pupils aged 7 to 13 years, provides accommodation for flexi-boarding.

What the school seeks to do

- 1.2 The school describes itself as a school of high expectation, opportunity, happiness and heart. It aims to help children to be the best version of themselves in all that they do, and to instil an infectious passion for life and learning. The school seeks to encourage children to challenge themselves without fear of failure, to try new things and to be open to a wide range of experiences. It aims to provide a curriculum which will stimulate pupils' curiosity, enthusiasm and imagination both in and out of the classroom.

About the pupils

- 1.3 The majority of pupils are from professional and business families in the local vicinity. The school's own assessment indicates that the ability of the pupils is above average compared to those taking the same tests nationally. The school has identified 48 pupils as having special educational needs and/or disabilities (SEND), all of whom receive additional provision. Two pupils have an education, health and care (EHC) plan and there are no pupils with English as an additional language (EAL). The school has identified 20 children who are more able or have specific talents, making additional provision in lessons and through sessions facilitated by the SEND department.

2. Regulatory Compliance Inspection

Preface

The Independent Schools Inspectorate (ISI) is approved by the Secretary of State to inspect schools which are, or whose heads are, in membership of the associations which form the Independent Schools Council (ISC) and report on the extent to which they meet the Independent School Standards ('the standards') in the Schedule to the Education (Independent School Standards) Regulations 2014, including the National Minimum Standards for Boarding ('boarding NMS'), where applicable. Inspections of schools with early years settings not requiring registration also report whether the school complies with key provisions of the Early Years Foundation Stage (EYFS) statutory framework, and for registered settings the full range of the Early Years Foundation Stage provisions is considered. Additionally, inspections report on the school's accessibility plan under Schedule 10 of the Equality Act 2010 and the ban on corporal punishment under section 548 of the Education Act 1996. Inspections also comment on the progress made to meet any compliance action points set out in the school's most recent statutory inspection.

ISI inspections are also carried out under the arrangements of the ISC Associations for the maintenance and improvement of the quality of their membership.

This is a COMPLIANCE ONLY inspection and as such reports only on the school's compliance with the standards, including the boarding NMS. The standards represent minimum requirements and judgements are given either as **met** or as **not met**. All schools are required to meet all the standards applicable to them. Where the minimum requirements are not met, this is clearly indicated and the school is required to take the actions specified.

Inspections do not include matters that are outside of the regulatory framework described above, such as: an exhaustive health and safety audit; compliance with data protection requirements; an in-depth examination of the structural condition of the school, its services or other physical features; contractual arrangements with parents; an investigation of the financial viability of the school or its accounting procedures.

Inspectors may be aware of individual safeguarding concerns, allegations and complaints as part of the inspection process. Such matters will not usually be referred to specifically in published reports in this document but will have been considered by the team in reaching its judgements.

Key findings

- 2.1 The school meets the standards in the schedule to the Education (Independent School Standards) Regulations 2014, the National Minimum Standards for Boarding Schools 2022, and relevant requirements of the statutory framework for the Early Years Foundation Stage, and associated requirements, and no further action is required as a result of this inspection.**

- 2.2 The school's own framework for assessment confirm that teaching enables pupils to make good progress in the context of Part 1 paragraph 3(a).
- 2.3 The curriculum is documented, supported by appropriate plans and schemes of work for the pupils and covers the required breadth of material. The teaching enables pupils to make good progress, encompasses effective behaviour management and is supported by suitable resources. A suitable framework for the assessment of pupils' performance is in place. Boarders have access to a suitable programme of activities.
- 2.4 Pupils receive relationships education in the junior school and relationships and sex education in the senior school, except in so far as they are lawfully excused. PART 2 – Spiritual, moral, social and cultural development of pupils

- 2.6 Principles and values are actively promoted which facilitate the personal development of pupils as responsible, tolerant, law-abiding citizens. Pupils are properly supervised; admission and attendance registers are maintained, as required, and there is a strategic approach to risk assessment. A disability access plan is in place.
- 2.9 An appropriate induction process for pupils new to boarding is implemented, and suitable provision is made for boarders' medical and health care, their food and drink and for managing boarders' laundry and possessions. Boarders have suitable contact with friends and family. Boarding staff are appropriately trained and deployed.

Inspectors visited the boarding house and the facilities for the youngest pupils, together with the learning support and educational resource areas.
